

# Building Library Labs 2 Programme (4 & 5 March 2019)

Mødelokale Diamanten (The Black Diamond) E-Øst, B-Øst Lille K, B-Øst Store K, Det Kongelige Bibliotek (Royal Library of Denmark), Søren Kierkegaards Plads 1, 1016 Copenhagen, Denmark ([map for venue](#))

Wi-Fi is available for laptops at the Black Diamond and Royal Library of Denmark.

Some links on these pages are only accessible to workshop delegates (including remote participants) through a [Google account](#). If you **don't** have one, you can [create one here](#). To request access to these links click on the 'Google event documents folder', remember to include your name and institution name / details about you (i.e why you want to join) when making the request, so we know exactly who you are.

Could all participants please be sure to complete the [event feedback form](#) by the end of the workshop.

The programme is divided into 3 broad themes:

1. Building library labs community
2. Planning / setting up labs, working in or with a lab (strategy)
3. Services/projects/data/existing or concrete services or projects
