RE: Appointment to HERC Advisory Board

Dear Jette

I am very pleased that you are willing to serve on the HERC advisory board. This is a great honor for us, and I look forward to working with you in this new venue. We will be sending out more information and updates regularly, and we are very much looking forwards to working with you and all your colleagues at the National Museum as the Greenland work continues. Stay well and safe.

All the best,

Thomas H McGovern
